Foreword

Do you remember
"Panther Power"? Goat Roping Day?
Courses you almost, or did fail?
The struggle of the midi to become fashionable?
Classes in which you slept . . or listened?
The prom and other class activities?
Homecoming?
Basketball tournaments at Christmas?
Classes missed for track tournaments?

We have recorded all of those memories and more for you, and it is with pride that the staff presents to you THE PANTHER PAW of 1971.

Mr. Ballew at registration

The Spanish Club Float

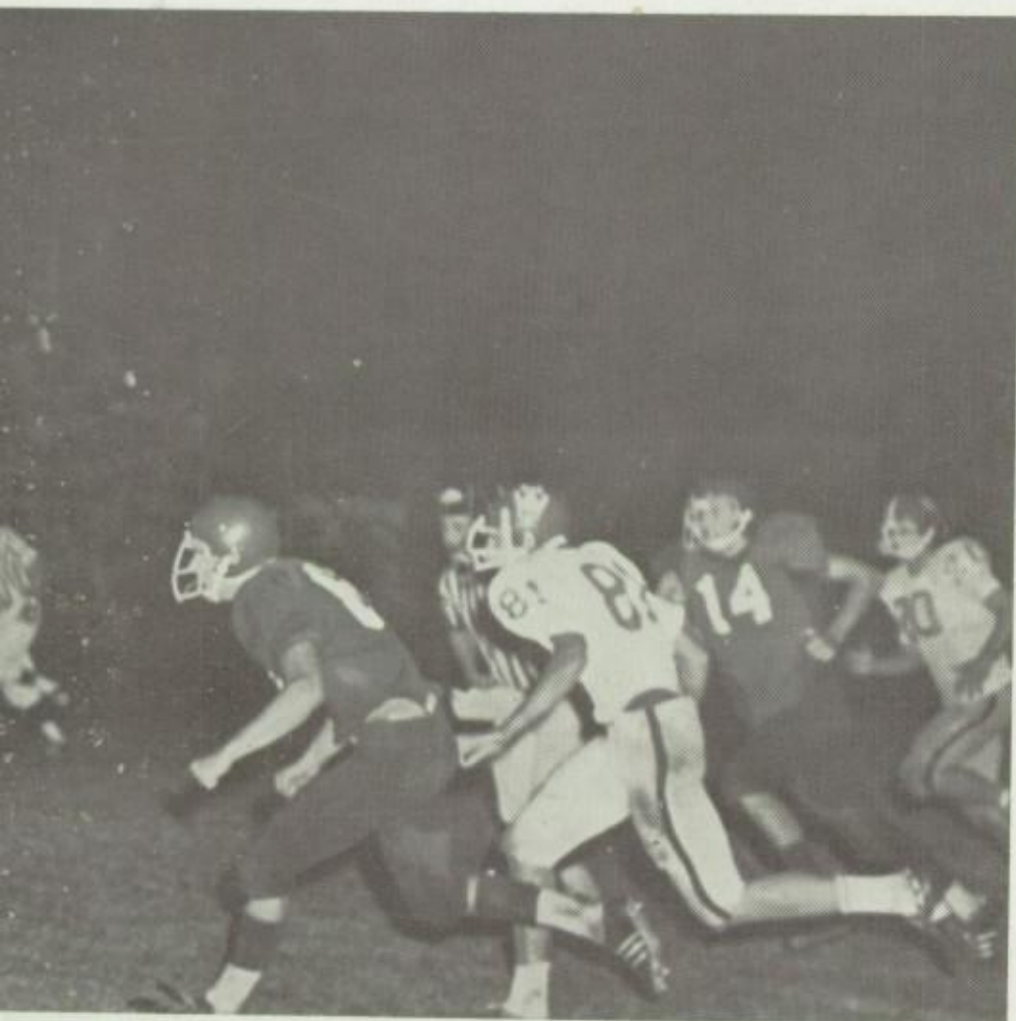

The Freshman Float

Homecoming means remembering floats, pep rallies, mums, the bonfire, last-minute touchdowns, cheerleaders, tears of excitement, and . . .

The Homecoming dance was fun for Donny and Cathy.

The Pep Squad
added to the
Homecoming Pep
Rally.

Assisted by Tom Corley and Barry Abbott, Billy Joe
Garrett broke through on an option-left to make Home-
coming an exciting evening for all.

The big "break-through!"

We Honor

To one who has seen the Senior Class of 71 through many years at Midway. We feel that his spirit and support have led us through the rough spots and given encouragement to all. Because of his never-ending devotion, we, the graduating class of 1971, dedicate this edition of the PANTHER PAW to Mr. Alton Ballard.

Midway's Board of Education

Taking time from their busy schedule in the business world, these men determine policies which govern the school, plan for an instructional program, and perform all financial transactions permitted under the laws of Texas governing public schools.

Sore fingers and cold knees did not foil the 1970 Midway Majorettes. The "Blue Girls" added much to an already exciting football season. Their routines varied from vaudeville to rock music as did their costumes from blue sequines to red patent. We are grateful for the glamour the girls added to our games.

THE PANTHERETTES

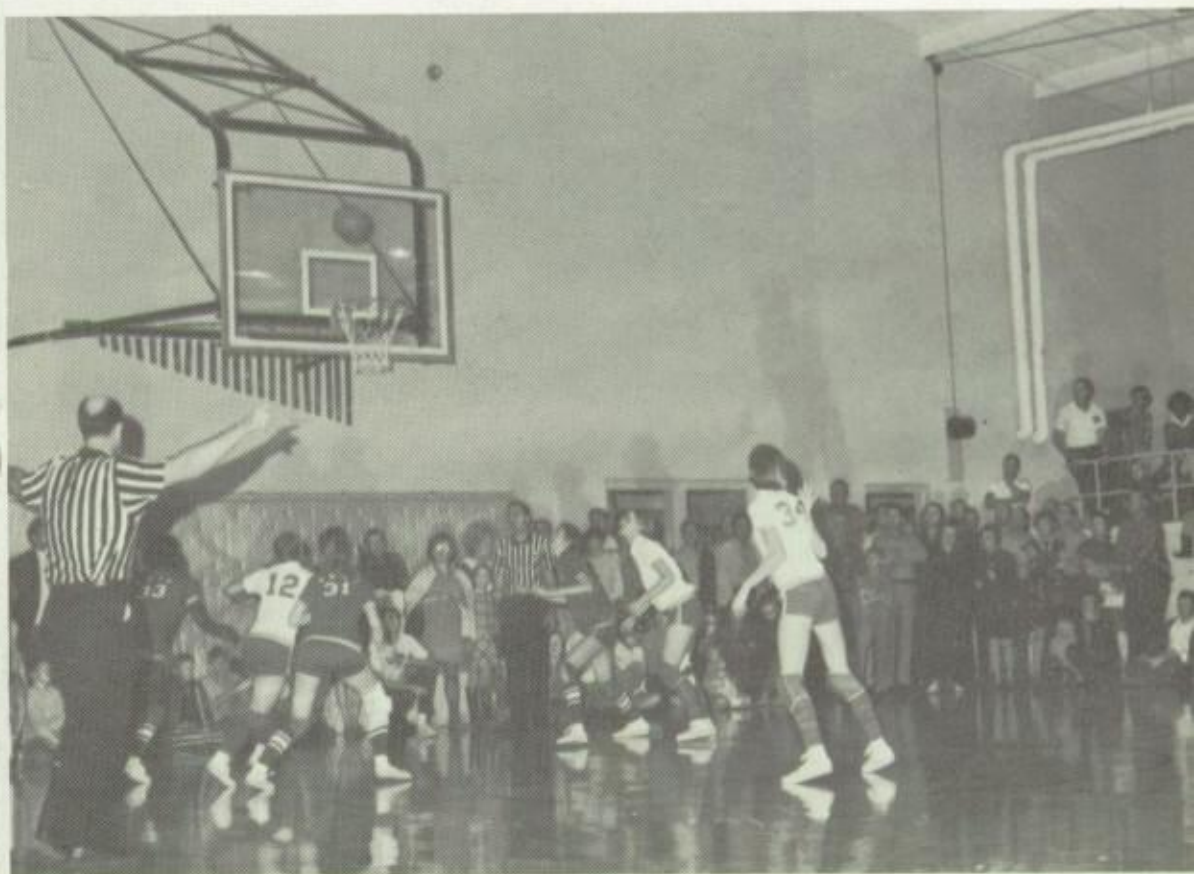

With hopes of going to state, the Pantherettes began their season. They defeated all non-district competition in this area and participated in three invitational tournaments.

They won the Sam Houston Invitational Tournament, but it was in this tournament that Rene Wilson was injured—a misfortune costly to the team.

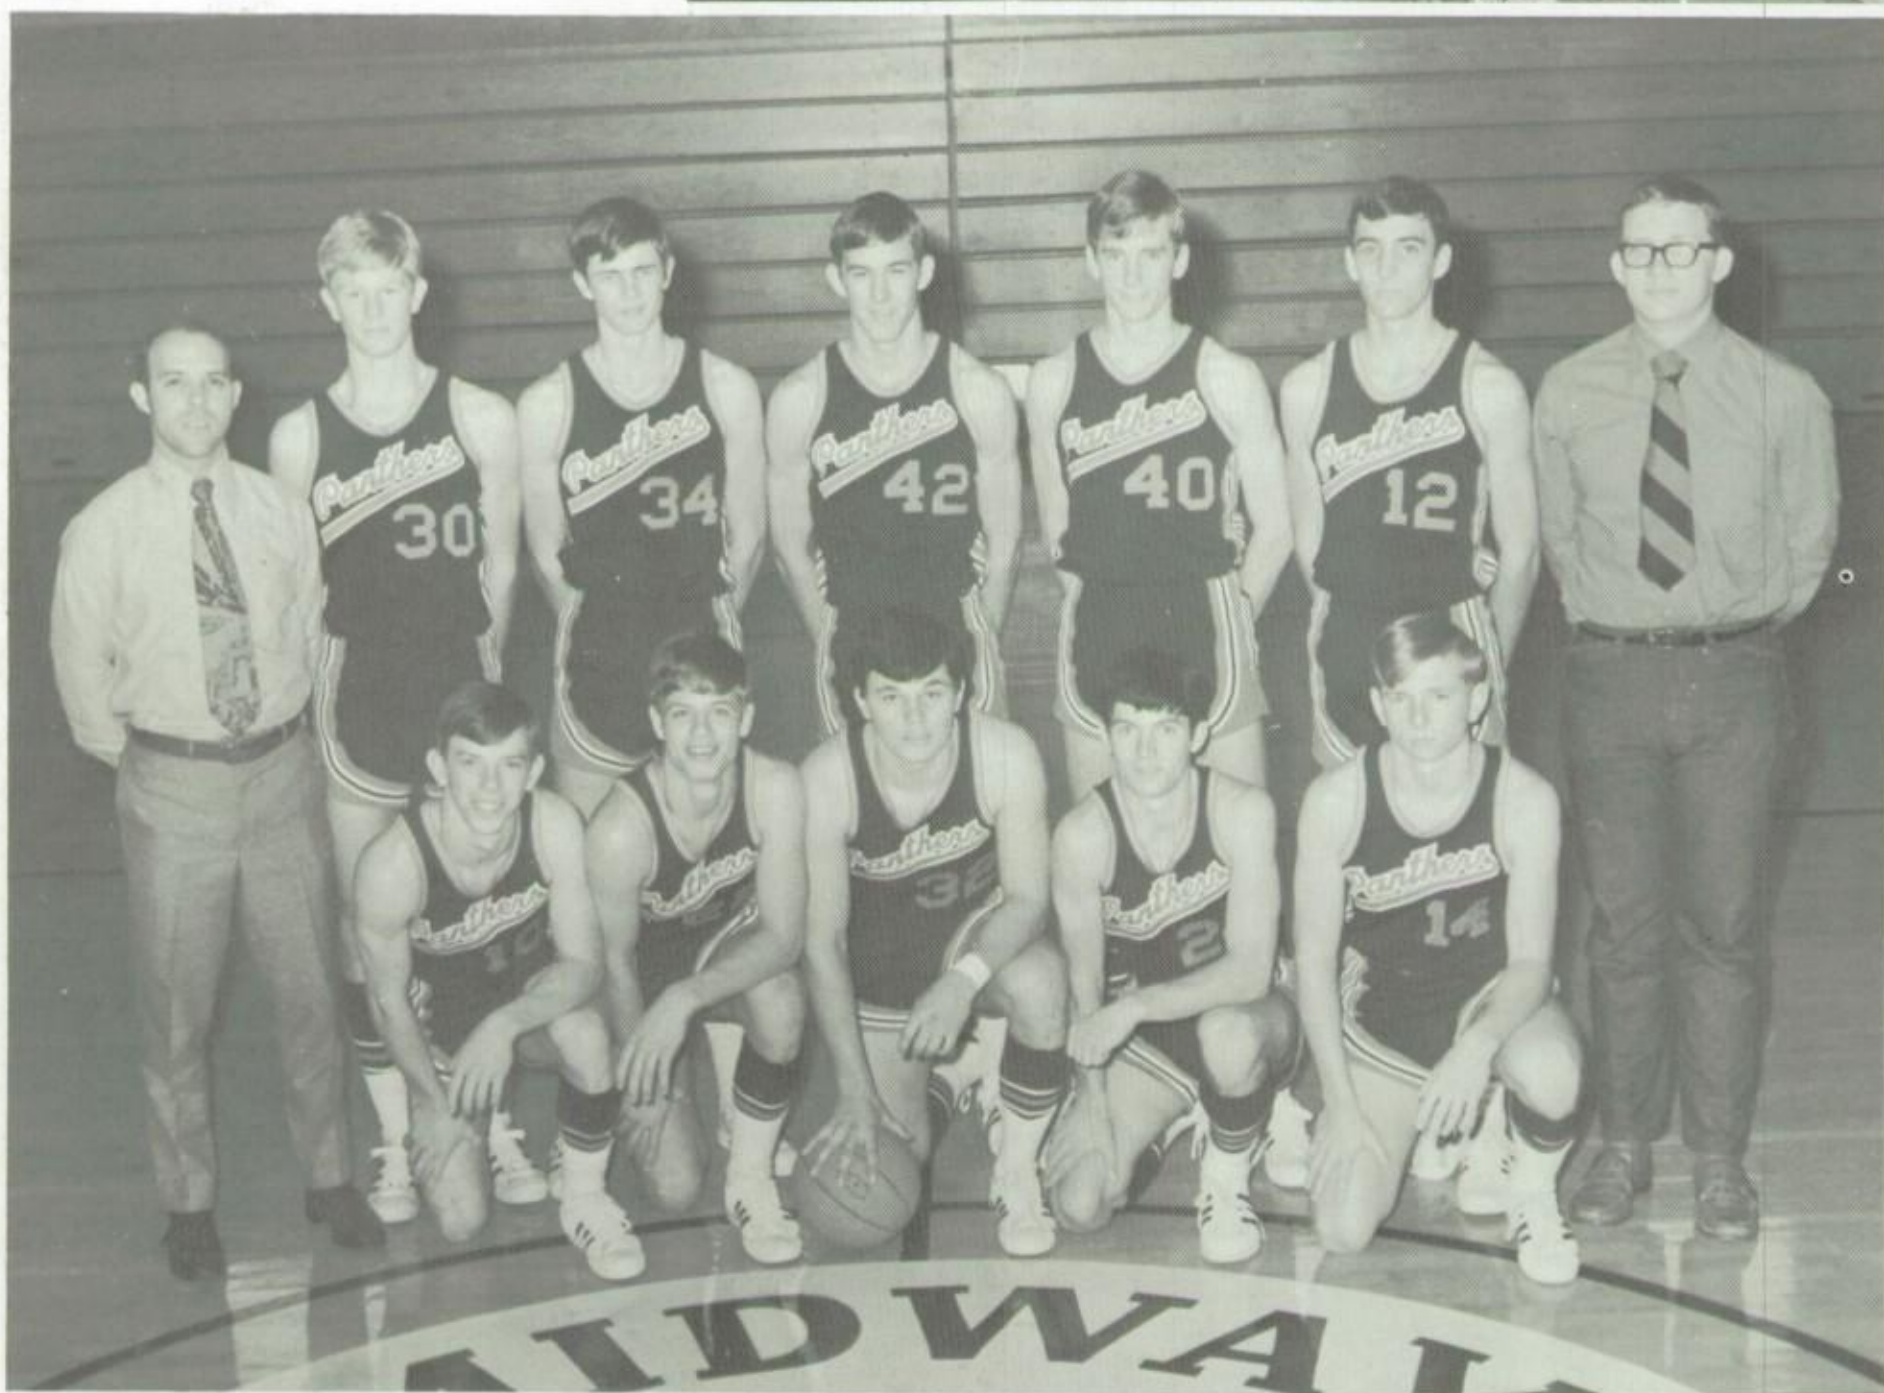

During the Christmas holidays, Midway hosted a tournament, and in close scoring games, the Pantherettes won the first-place trophy.

The annual Baylor Tournament gave the Pantherettes their first meeting with the 1970 state champs by whom they were defeated in the finals.

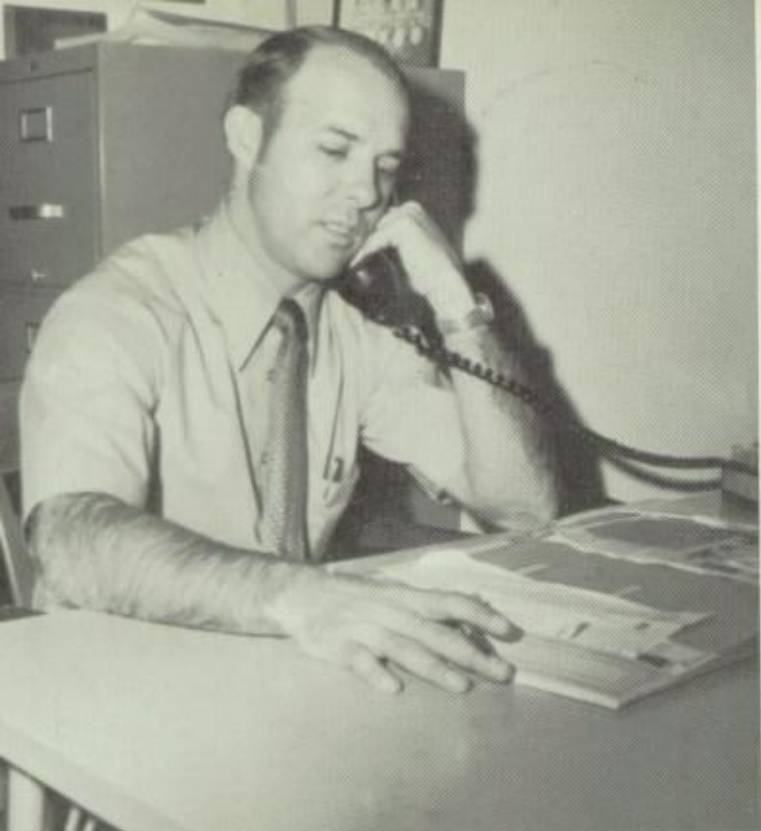

The Pantherette team is a credit to the school despite its failure to win the district title, and the season must be considered successful because of its seasonal record of thirty wins and three losses.

A WORD FROM THE COACH

There are several assets of the 1970-1971 Panther Basketball team. To single any one out I would have to say ATTITUDE is responsible largely for our success. These young men have the best attitude any group I have ever coached. HUSTLE—another of the necessary ingredients for a good team is one we possess. DESIRE—the Boys love basketball and are willing to sacrifice whatever it takes to have a great ball club. I would have to say all these qualities lead to a totally unselfish player which our team is blessed with ten such young men.

These boys are a team in every sense of the word. All ten boys are very capable and interested in team success. These attributes are what make a team GREAT—not only in winning, but every game is a challenge and is met with confidence. We take pride in representing Midway students, faculty, administration, and community.

AMERICAN INCOME LIFE *Insurance Company*

EXECUTIVE OFFICE

POST OFFICE BOX 208

WACO, TEXAS 76703

. . . . says let's go, proud Panthers!

To you, the Panthers are symbolical of a good school just as American Income Life is symbolical of the finest in life insurance, and accident and sickness insurance.

As high school students you exemplify mature young ladies and gentlemen.

As you become mature adults you will learn more and more about life insurance—how it gives financial protection to the family, provides a ready source of emergency cash, endows an education, fulfills many business needs, acts as an impetus to the nation's economy, and serves other multi-faceted purposes that will amaze you.

Just as Midway High School is something more because of its Panthers, so is our country something more because of life insurance.

Let's go, proud Panthers! We know you. We like you.

Pater Nielsen
Vice President
American Income Life

Bernard Rapoport, President
A. C. Helms, Senior Vice President

Farewell

As we pass slowly out of these doors that have seen so many come and go, all too quickly we hear the doors of the years past, quietly shutting behind us; and we go forth eagerly to open the doors to the future and whatever it may bring.

For when one door is shut—another opens.

—The Senior Class
